

PRODUCT DESCRIPTION

Eclipse table 2 is composed by a central disc emitting the light and two external discs diffusing the light. The diffusing discs are made with special MYO mesh material.

You can place the outer external discs in any place you want of the central disc thanks to a magnetic system. This way, you can create your own ambiance of light by having indirect or diffused light.

Eclipse comes with a highly powerful LED source.

MAINTENANCE ZERO: MYO special treated mesh is to be cleaned with a dry cloth or hair dryer only once per year under regular conditions.
