

PRODUCT DESCRIPTION

The Boheme collection is inspired by non-conventionality, by nostalgia in night-walking, hedonism and transience. It is conceived under the influence of the duality of both designers earth and fire, chimera and rationality. The fruit of this symbiosis is a piece that evokes art deco from a new perspective of modernity. They eclectically create a communion of ornament and minimalism.

SHIPPING INFORMATION

Number of Boxes: 1

Carton Large: 40cm

Carton Width: 40cm

Carton Height: 65cm

Gross weight: 5,5kg

PRODUCT SPECIFICATIONS

Material: Brass and steel

Dimensions: 30cmD
61cmH
