

PRODUCT DESCRIPTION

Horizons, majesty, modernity, innovation…Metropolis, just as New York is reflected in the waters of the Hudson, the city that never sleeps, projected into infinity.
It rises geometrically, with futuristic airs even of science fiction, to transport us to different planes where the impossible is born, where design matures, where talent screams.

PRODUCT SPECIFICATIONS

Material: Steel

Dimensions: 123cmW
35cmH

Colors available: Black, White and Gold. Ask for more available finishes

Weight: 3kg

Number of lights: 2 (LED included)

LED type: 48W 2700K 5530LM CRI>90

SHIPPING INFORMATION

Number of Boxes: 1 (PALLET)

Carton Length: 140cm

Carton Width: 50cm

Carton Height: 55cm

Gross weight: 15kg
